BICENTENNIAL COMMUNITY

MORTON GROVE PUBLIC LIBRARY

September 1975

Friends,

This is the fourth annual newsletter we have mailed to your home. In it each year, we have tried to inform you of all library activities and materials which are available to you as a resident of the Village of Morton Grove. Since our last mailing, we have added two other newsletters which can be obtained in the Library and which give in greater detail those items outlined herein. Downstairs at the Library is a monthly publication covering children's activities in the Library, and Browse, put out bi-monthly for adult Library patrons, includes book lists as well as program plans.

We still feel that some Morton Grove residents are unaware of many of the services offered by the Library, so in order to alert you to what you may be missing, we are including a quiz in this newsletter. We hope you'll use it, and if you want more information about any of the questions, please call us at 965-4220.

We look forward to seeing you in the Library often, as we participate in Morton Grove's celebration of the Bicentennial.

Joan G. Stewart

*Special Pick-Up; Call Library for Information

Our Maxiwagon schedule has been streamlined this year. With the new schedule, which goes into effect on Sept. 29, we are eliminating the 15 minute stops at each pick-up point, and we will no longer carry books for loan. We do want to stress, however, that any time a patron wants, or needs library materials without coming to the Library, he or she may call in requests by noon of any day, and those materials will be delivered to the pick-up point nearest the patron's home. Shut-in service, of course, is always available, with delivery to the shut-in's home. A call to the Library, 965-4220, is all it takes!
